

## **Publication 1436**

The tax forms in this publication are marked either “For Testing Purpose Only” or “Draft”. These forms should not be distributed or incorporated in your software products or marketing materials.

### **ATS Test Scenario #04**

For ATS Test Scenario #04, Form 8949 and Schedule D (Form 1040) are not required at this time to be included in this test scenario. These forms are still under development for Tax Year 2012; therefore, you may submit Test Scenario #04 without using these forms. Once the forms are finalized we highly encourage you to include them in this scenario and retest.

### **ATS Test Scenario #06**

For ATS Test Scenario #06, Form 8958 is not required at this time to be included in the test scenario. Form 8958 is still under development for Tax Year 2012; therefore, you may submit Test Scenario #06 without using this. Once the form is finalized we highly encourage you to include it in this scenario and retest.
